

PLACEMENT BROCHURE

2022 - 2023

VEERMATA JIJABAI TECHNOLOGICAL INSTITUTE (VJTI)

वीरमाता जिजाबाई टेक्नॉलॉजिकल इन्स्टिट्यूट , मुंबई

(Central Technological Institute, Maharashtra State)

Erstwhile - Victoria Jubilee Technical Institute (Est. 1887)

H. R. Mahajani Marg, Matunga, Mumbai 400019

VISION

To establish global leadership in the field of technology and develop competent human resources for providing service to society.

MISSION

To provide students with comprehensive knowledge of principles of engineering with a multi-disciplinary approach that is challenging & creates an intellectually stimulating environment for research, scholarship, creativity, innovation, and professional activity and last to foster a relationship with other leading institutes of learning and research, alumni, and industries to contribute to national and international development.

INTRODUCTION

VJTI an acronym that is a torchbearer of excellence in Engineering Education in the country since 1887, formerly known as Victoria Jubilee Technical Institute, was renamed Veermata Jijabai Technological Institution (V.J.T.I.) on January 26, 1997. The institute secured the 71st NIRF ranking nationwide as per the declaration by MHRD Govt. Of India and stands 4th in Maharashtra state placement wise. The B. Tech placement in 2018-19 was 96.3%, in 2019-20 was 77.9% and in 2020-21 was 72.9% in a total of 300+ industries, and 100+ drives were conducted virtually for outgoing batch 2019-20 and 2020-21 in the lockdown period only.

The Institute offers a 06 diploma program, a degree program in 09 engineering disciplines & a postgraduate level program in 18 Engineering disciplines, and a 01MCA program.

The institute started functioning as an autonomous Institute on June 21, 2001, received funding under the World Bank project TEQIP Phase-I, II & III for strengthening infrastructure, and also started receiving funds from various funding agencies and industry which mainly focuses on scaling up of UG/PG enrollments, and demand-driven Research & Development.

The institute offers excellent facilities for conducting campus interviews and it is our experience that many esteemed recruiters avail of these facilities to meet their technical manpower requirements. The facility consists of interview cabins, group discussion rooms, a seminar hall for pre-placement talk (seating capacity 250+), hospitality, etc. You will be glad to learn that about 95% to 100% of eligible students passing out from this institute are offered employment before awarding the degree in the last many years. The candidates selected are no doubt an invaluable asset to the organization.

To facilitate students to know about your organization, it would be appreciated if you send us the company profile/job profile, Salary structure (CTC), CPI cut-off limit, and required branches/courses in the Job Announcement Form (attached herewith) and send it to tpo@vjti.ac.in. The information from your end will help us to collect student data and decide the campus date for the recruitment process.

COURSE AVAILABLE IN VJTI

B. Tech Programme:

- Admission to all Eng. Program is through CET exam conducted by Govt.of Maharashtra on a merit basis.
- B. Tech Eng. Batch size = 72 students.

Sr. No	Name of Programme (UG)	Details of information of B. Tech branch & Syllabus link.
1	Computer Engineering	Click Here
2	Information Technology	Click Here
3	Electrical Engineering	Click Here
4	Electronics Engineering	Click Here
5	Electronics & Telecommunication	Click Here
6	Civil Engineering	Click Here
7	Mechanical Engineering	Click Here
8	Production Engineering	Click Here
9	Textile Technology	Click Here

M. Tech Programme:

- All Admissions are done based on GATE Score on a merit basis.

Sr. No	Name of Programme (PG)	Details of information of B. Tech branch & Syllabus link.
1	Computer Engineering	Click Here
2	Computer Engineering (with specialization in Network Infrastructure Management Systems)	Click Here
3	Computer Engineering (with specialization in Software Engineering)	Click Here
4	Electrical Engineering (with specialization in Power Systems)	Click Here
5	Electrical Engineering (with specialization in Control Systems)	Click Here
6	Internet of Things (IOT)	Click Here
7	Electronics & Telecommunication Engineering	Click Here
8	Civil Engineering (with specialization in Construction Management)	Click Here
9	Civil Engineering (with specialization in Environmental Engineering)	Click Here
10	Civil Engineering (with specialization in Structural Engineering)	Click Here
11	Mechanical Engineering (with specialization in Machine Design)	Click Here
12	Mechanical Engineering (with specialization in Automobile Engineering)	Click Here
13	Mechanical Engineering (with specialization CAD/CAM & Automation)	Click Here
14	Mechanical Engineering (with specialization in Thermal Engineering)	Click Here
15	Production Engineering	Click Here
16	Project Management	Click Here
17	Textile Technology	Click Here
