# Electrical Engineering Department

20-5-2013

Subject: Request to put on website: - VJTI - SAMEER MOU

VJTI has signed MOU with SAMEER (Society for Applied Microwave Electronics Engineering & Research, Dept. of Information Technology, MC&IT, and Govt. of India) for:

- Joint research investigations, including joint Ph.D. supervision.
- Internships and summer projects to Postgraduate students in areas of mutual interests.
- Joint training programs.
- Mutual visits of personnel (faculty, engineers, scientific officers, others).
- Testing and related activities.

It is requested that it may please be put on VJTI website.

This is for your kind approval and necessary instructions please.

Head, Electrical Engineering Dept.

The Director

Approved

Fordipproval

VJTI has signed MOU with SAMEER (Society for Applied Microwave Electronics Engineering & Research, Dept. of Information Technology, Mc&IT, and Govt. of India) for:

- Joint research investigations, including joint Ph.D. supervision.

- Internships and summer projects to Postgraduate students in areas of mutual interests.

- Joint training programs.

- Mutual visits of personnel (faculty, engineers, scientific officers, others).

- Testing and related activities.

# MEMORANDUM OF UNDERSTANDING

# Between VEERMATA JIJABAI TECHNOLOGICAL INSTITUTE (VJTI)

# SOCIETY FOR APPLIED MICROWAVE ELECTRONICS ENGINEERING & RESEARCH (SAMEER) (Dept. of Information Technology, MC&IT, Govt. of India)

#### Purpose

Veermata Jijabai Technological Institute (VJTI) and Society for Applied Microwave Electronics Engineering & Research (SAMEER) (each referred henceforth as 'organization') wish to establish a cooperative relationship through mutual assistance in the areas of research, education, training.

#### Veermata Jijabai Technological Institute (VJTI)

VJTI (Veermata Jijabai Technological Institute) is a premier education and research Institute in the state of Maharashtra. India. The Institute works under the autonomy granted by Government of Maharashtra and University Grants Commission. It was established in the year 1887 by visionary industrialists and businessmen and has a glorious history of 125 years of high academic achievements. Throughout all these years it has remained as the first destination for admission to academic programs by most brilliant students of the state of Maharashtra. The institute is reputed for providing an excellent education in various courses in engineering and technology at undergraduate and postgraduate levels including the doctoral program. The Institute is also known for its research, testing and consultancy as well as for its interaction with a large number of industry and business organizations.

# Society for Applied Microwave Electronics Engineering & Research (SAMEER)

SAMEER was set up as an autonomous R & D laboratory at Mumbai under the then Department of Electronics, Government of India with a broad mandate to undertake R & D work in the areas of Microwave Engineering and Electromagnetic Engineering Technology. It is an offshoot of the special microwave products unit (SMPU) set up in 1977 at the TATA INSTITUTE OF FUNDAMENTAL RESEARCH (TIFR), Mumbai. SAMEER, Mumbai was setup in 1984, Mumbai Centre specializes in the area of Linear Accelerator Technology for Cancer Therapy. Opto-Electronics, Microwave and Radio Frequency Systems and Sub-Systems and Components. It carries out core and applied research and development work and also undertakes and executes sponsored projects for various Government agencies, Public Sector Undertakings and Industries.

### Scope of collaboration

Each organization may offer to the other opportunities for activities and programs such as  $% \left\{ 1,2,...,n\right\}$ 

- Joint research investigations, including joint Ph.D. supervision.
- Internships and summer projects to Postgraduate students in areas of mutual interests.
- Joint training programs.
- Mutual visits of personnel (faculty, engineers, scientific officers, others).
- Testing and related activities.

The terms and conditions of the above activities, including but not limited to, financial support, duration, etc. will be finalized in separate individual agreements.

# Miscellaneous

Each organization has the liberty to enter into similar agreements with other organizations without reference to the other one.

The agreement will be valid for a period of 3 years from the date of signing; however the agreement can be terminated by either party by giving one month's written notice with or without specifying any reason.

# Authorized Signatories

For and on behalf of

Veermata Jijabai Technological Institute (VJTI)

For and on behalf of

Society for Applied Microwave Electronics Engineering & Research (SAMEER)

Professor Dr. O. G. Kakde Director, Veermata Jijabai Technological Institute Matunga, Mumbai-400019

Dr. A. L. Das Director. Society for Applied Microwave Electronics Engineering & Research I.I.T. Campus, Powai, Mumbai, Maharashtra-400076
