

STUDENT INDUSTRY INTERACTION

The Civil and Environmental Engineering Department at VJTI emphasizes strong industry interaction to bridge academic learning with real-world applications. Students benefit from expert lectures, site visits, and internships facilitated through collaborations with leading construction firms.

Site visit for 1st yr B.Tech under community engagement

Survey project for 2nd yr B.Tech

BIM workshop for 3rd yr B.Tech

BIM workshop for 3rd yr B.Tech

CENTER OF EXCELLENCE

MoUs with Nemetschek and Bentley Systems provide access to advanced engineering and BIM software, professional training, certification opportunities, and industry-oriented learning experiences, enhancing students' employability and technical competencies.

Information Brochure (2026-27) for B.Tech. Civil Engineering

ABOUT THE DEPARTMENT

The Department of Civil & Environmental Engineering was established in 1912. The department conducts courses at the diploma, graduate and post graduate levels. The department is also recognized for doctoral research by the University of Mumbai. It has laboratories equipped with the most modern equipment and test facilities. The department continuously undertakes research and consultancy projects to share and enhance technical knowledge.

Vision

To create and maintain learning environment to produce Civil Engineers who shall maintain professional integrity to serve the society with the knowledge and skills earned.

Mission

- To shape future technocrats for planning, designing, constructing and maintaining the civil engineering projects for public and private sector organizations.
- To upgrade knowledge base of practicing engineers.
- To strive to find cost effective and sustainable solutions in various disciplines of Civil Engineering to improve quality of life.

LABORATORY FACILITIES

The Civil & Environmental Engineering department at VJTI is equipped with state-of-the-art laboratories that support both academic learning and cutting-edge research. These laboratories provide hands-on experience with modern instruments and software, enabling students to bridge theory with practical application. Continuous upgrades and industry-aligned experiments ensure that students are well-prepared for professional challenges.. Key labs include :-

TOC/TN analyzer

Ion chromatograph

ENVIRONMENTAL ENGINEERING LAB

SURVEY LAB

UG COMPUTER LAB

TRANSPORTATION ENGINEERING LAB

APPLIED HYDRAULICS LAB

STRUCTURAL ENGINEERING LAB

PROJECT LAB

SEMINAR HALL

STUDENT PLACEMENT

The Civil Engineering Department at VJTI has a strong placement record. Students are recruited by top companies in construction, infrastructure, consultancy, and public sector units such as L&T, LODHA, Godrej Properties, Mahanagar Gas,, Reliance, PwC, Tata etc. The department also supports higher education and public sector opportunities through dedicated guidance.

Year	Eligible students	Students placed + Higher Education	Highest CTC (LPA)
2025-26	63	45 + 16	10.5
2024-25	68	45 + 20	8.00
2023-24	73	41 + 26	14.10

ALUMNI INTERACTION

The Department is proud of its Alumni and their achievements. Many alumni are in government, public and private sectors while several are successful entrepreneurs. The Alumni have contributed to the Department by delivering expert lectures, placements and supporting department events.

Interaction with Dr. Vijay Joshi,
Recipient of Order of Australia Medal, VJTI Alumnus

STUDENT ACTIVITIES

Civil Engineering students at VJTI actively engage in technical and co-curricular activities through ICI and CESA. They participate in workshops, seminars, industrial visits, and competitions that enhance practical learning. Events like "Sthapatya" showcase their innovation and teamwork. These activities enrich their overall learning experience.

Sthapatya 26 with Mr. Nalin Gupta, Managing Director, J. Kumar Infraprojects Ltd. As Chief Guest

FACULTY PROFILE

Name	Specialization
Civil Engineering Subjects	
Dr. S. Y. Mhaske	Geospatial Technology
Dr. A. S. Wayal	Water Resources Engineering
P. S. Chaudhari	Water Resources Engineering
Dr. S. U. Sayyad	Environmental Engineering
Dr. V. B. Varekar	Environmental Engineering
Dr. C. D. Wagh	Structural Engineering
Dr. S. S. Surapreddi	Geotechnical Engineering
Dr. N. N. Oke	Environmental Engineering
Structural Engineering Subjects	
Dr. K.K. Sangle	Structural Engineering
Dr. A.N. Bambole	Structural Engineering
Dr. V.B. Deshmukh	Geotechnical Engineering
Dr. S.S. Pendhari	Structural Engineering
Dr. J.G. Solanki	Structural Engineering
Dr. Kavita Fasate	Structural Engineering
