The quotation notice for the above-mentioned work was initially issued on 23/07/2026, with the last date for submission of quotations fixed as 30/07/2026 up to 5:00 PM. As only one (01) quotation was received up to the stipulated due date and time, the submission period was extended up to 05/08/2026 up to 5:00 PM to encourage wider participation and ensure competitive bidding.

During the extended submission period, only one (01) additional quotation was received. Thus, a total of two (02) quotations have been received up to the revised due date and time.
